

NOTICE OF PUBLIC MEETING

Notice is given that an **Open Meeting** of the Board of Directors of the Barton Springs/Edwards Aquifer Conservation District will be held at the District office located at 1124 Regal Row, Austin, Texas 78748, on **Thursday, March 22, 2018, beginning at 6:00 p.m.** This will be a Regular Meeting of the Board of Directors in which the Board will discuss and possibly take action **to finally adopt the following Desired Future Conditions (DFCs) for the relevant aquifers managed by the District in Groundwater Management Area 10 (GMA 10):**

Relevant Aquifer in District	Desired Future Condition Proposed for Adoption
Fresh Edwards (Balcones Fault Zone) Aquifer in the northern subdivision of the GMA	Springflow at Barton Springs during average recharge conditions shall be no less than 49.7 cfs averaged over an 84-month (7-year) period; <u>and</u> springflow of Barton Springs during extreme drought conditions, including those as severe as a recurrence of the 1950s drought of record, shall be no less than 6.5 cfs average on a monthly basis.
Saline Edwards (Balcones Fault Zone) Aquifer in the northern subdivision of the GMA	No more than 75 feet of regional average potentiometric surface drawdown due to pumping when compared to pre-development conditions.
Trinity Aquifer in the hydrologically confined zone downdip of Trinity outcrop area	Average regional well drawdown not exceeding 25 feet during average recharge conditions (including exempt and non-exempt use)

The possible action follows: proposal of these DFCs by resolution of GMA 10 on March 14, 2016; a public hearing on the proposed DFCs held by the District on May 26, 2016; adoption of the DFCs by resolution of GMA 10 on May 30, 2017; and notice of administrative completeness of the Explanatory Report prepared by GMA 10 for these DFCs by the Texas Water Development Board on February 12, 2018. Further information and questions concerning the DFCs or this meeting should be directed to Mr. Kirk Holland, P.G., Interim General Manager, Barton Springs/Edwards Aquifer Conservation District (512) 282-8441. The public may submit comments for Board consideration verbally at this meeting; by email to Mr. Holland: kholland@bseacd.org; or by USPS mail to Mr. Holland at the District office address; comments must be received before or at the meeting.

Groundwater Conservation Districts in GMA 10 are Barton Springs/Edwards Aquifer Conservation District, Comal Trinity GCD, Edwards Aquifer Authority, Kinney County GCD, Medina County GCD, Plum Creek Conservation District, and Uvalde County Underground Water Conservation District (UWCD).

Note: The Board of Directors of the Barton Springs/Edwards Aquifer Conservation District reserves the right to meet in Executive Session at any time during the course of this meeting to discuss any of the matters listed on this agenda, as authorized by the Texas Government Code Sections §551.071 (Consultation with Attorney), 551.072 (Deliberations about Real Property), 551.073 (Deliberations about Gifts and Donations), 551.074 (Personnel Matters), 551.076 (Deliberations about Security Devices), 551.087 (Economic Development), 418.183 (Homeland Security). No final action or decision will be made in Executive Session.

Came to hand and posted on a Bulletin Board in the Courthouse, _____ County, Texas,
on this, the _____ day of _____ 2018, at _____ a.m.
